iPhone (iOS)

MOST USED
Search, Feed, Collections

INTERESTS

- Phone wallpapers
- Aesthetic images & moods
- Photography
- Creative imagery
- Dark & cinematic themes
- Style & colour inspiration

GOALS

- Discover wallpapers and aesthetic images that match her taste.
- Get a personalised feed instead of repeated content.
- Save favourites into personal collections.
- Find the right image quickly through smart search.
- Explore themes, styles and visual moods.
- Get creative inspiration on demand.

PAIN POINTS

- Feeds that ignore her interests
- Repetitive or duplicated images
- Saved wallpapers are hard to manage
- Content scattered across platforms
- Too much browsing to find one image

NEEDS

- Smart search by topic, theme and mood
- Personalised, curated visual feed
- Personal collections to save and organise
- Aesthetic categories to explore
- Clean, simple, fast navigation
