"I save ideas for the life I want, then slowly make them real."

CHOICES

- Prefers boards by theme: home, outfits, recipes, travel
- Chooses saved ideas that link to real, buyable items
- Favors minimal, warm, natural aesthetics
- Follows creators over brands

GOALS

- Decorate her apartment on a budget
- Plan a wedding-guest wardrobe and a Lisbon trip
- Build a repeatable weekly meal-prep routine
- Grow a side hustle in digital design

MAIN POINTS

- Binterest is her planning tool, not just inspiration
- Visual search drives most of her sessions
- Wants ideas she can act on within a week
- Values saved boards that stay organized

NEEDS

- Accurate, clickable links to products and tutorials
- Better search filters by price, size, and season
- Fresh ideas that match her saved style
- Easy sharing and collaborative boards

INFLUENCES

- Friends and group chats sharing pins
- Instagram and TikTok creators
- Seasonal trends and sales
- Home and lifestyle bloggers

BEHAVIOUR

- Browses evenings and weekend mornings on mobile
- Saves far more than she buys, but returns to buy
- Searches before shopping; compares across pins
- Clicks through for how-tos and shopping links
